

Request for Quote
Conservation (Artworks) Services

National Portrait Gallery and Smithsonian American Art Museum

Released February 19, 2024

The National Portrait Gallery and Smithsonian American Art Museum of the Smithsonian Institution seek to contract up to two individuals, or a firm of no more than two individuals, to provide collection care remediation, condition assessment, and interventive treatment for stored artworks affected by particulate dust deposited from humidifiers.

The Request for Quote and Statement of Work, which contain the details regarding this contract opportunity are available upon request until March 7, 2025. Requests to obtain these documents will not be accepted after that date.

All correspondence regarding this request should include the subject line "PC Storage RFQ."

Please submit your request for the RFQ, SOW, and any questions to:
